SINK FEATURES

LUVUL sinks feature Sound-Shield pads on several strategic areas of every sink for extra sound proofing. Made of natural rubber, the Sound-Shield pads reduce the noise of clattering dishes and running water.

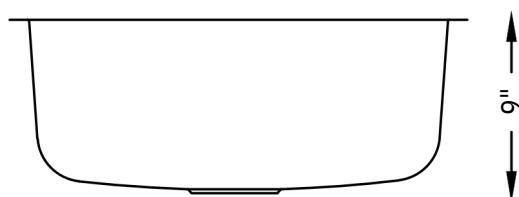

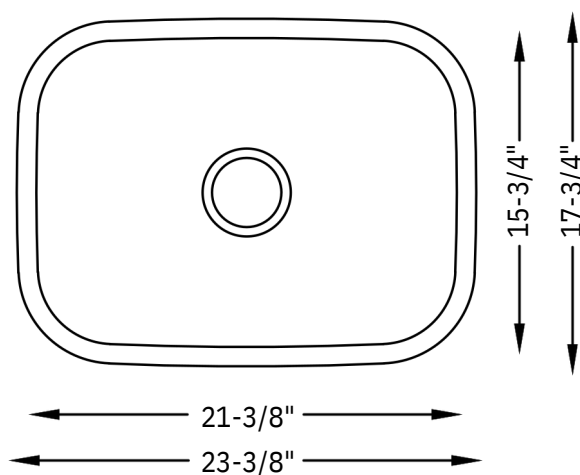

Pro Vest is a protective coating over the Sound-Shield pads. This system reduces noise, prevents condensation and helps maintaining water temperature when pre-soaking dishes.

All LUVUL sinks receive expert hands-on care under strict quality control throughout every stage of our modern manufacturing process. This ensures a "NO HASSLE" Limited Lifetime Warranty against all manufacturing defects in material and workmanship under normal use.

CODE / STANDARDS COMPLIANCE

Most LUVUL sinks meet or exceed the following specifications:
ASME 112.19.3-2008 - IAPMO/UPC listed - CSA B45.4-2008
